

To All Churches:

To Those Concerned with Spiritual Life:

What an honor it is to recommend the Van-Martins. They are a quartet that will stir your very soul for Jesus as they minister by song & testimony! I have been their pastor for several years and they are a real, spiritual, uplifting blessing from God to any church! Their singing especially will lift your spirits into heavenly places with Jesus Christ. If you desire a spirit moving service then have the Van-Martins come to your church for a concert. They are down to earth and very personal, easy to talk too and get to know. The last time they sang in their home church we had seekers at the altars seeking God. That is the kind of people they are, after God's own heart. Their desire is to serve God in this type of ministry! I gladly and very highly recommend them to any church! They will be a blessing for God to you!
